Submission Guidelines:

- Each ad template contains a number of photos; supply enough pictures to fill the photo blocks in the ad you chose. If you provide extra pictures or pictures that do not fit, the staff will use its discretion when designing the ad.
- Using a pencil, write softly on the back of the picture the photo-block number in which you want the picture to appear. If you do not number the photos, the staff will use its discretion in designing the ad.
- We will enlarge or reduce your photos as necessary. We will also "crop" (focus on key parts of) the picture to its best advantage.
- Care will be taken to return all photos; however, copies of prints should be submitted for irreplaceable photos. We do not take responsibility for lost or damaged photos.
- Please do not submit "proofs" from the photographer. We will not be able to use them.
- Photos may be submitted digitally on a CD or flash drive. If submitting digitally, please number the files to correspond to the layout that you select. However, you **MUST** mail in a completed order form and payment.
- Submit your message typed (in a plain font) or legibly printed on white paper. We do not edit the text but will retype as you submit.
- By choosing "custom", you are designing an ad different than the templates provided. You need to draw out on paper the way you want the ad to look including placement of photos and text. **Please add the \$30 custom add fee to your total.**

The yearbook staff reserves the right to alter any ad that does not meet the above guidelines. This includes but is not limited to any photograph or copy that may violate community standards, copyright or fair use laws. The content of the ad and copy must be appropriate for a school publication.
